

We have implemented some extra measures within hygiene and cleaning to ensure the safety of our guests and employees

HYGIENE & CLEANING

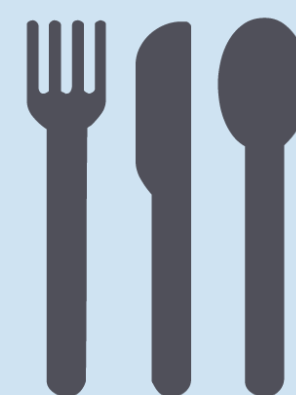

Common areas, with a particular focus on touch points, are disinfected regularly

Coffeestations in guestrooms are removed - Welcome to a coffee in the lobby!

Additional cleaning routines in guestrooms

Disinfection stations on each floor

RESTAURANT

2 meters distance between each table

Several table seatings

No buffets

Extra cleaning of touch points such as payment terminals, door handles, chairs and tables

RECEPTION & LOBBY

Payment terminals and key cards are cleaned before and after use

We keep distance at the reception desk, in the elevator and the bar

Fretheim Hotel is cash free

Visit the front desk for complete information about the measures taken

KEEP THE DISTANCE

We ask all our guest to be aware of infection prevention: Good hand hygiene, social distancing and good coughing habits are some things to keep in mind

Be aware of the markings on the floor, they will help you keep the distance

Kindly do not use the elevator if already in use

IT IS SAFE TO STAY AT THE FRETHEIM HOTEL
